

Fabrice Fosset, DVM, MS, Practice Limited to Emergency and Critical Care

Emergency & Critical Care

Dr. Fabrice Fosset earned his veterinary degree from the University of Liege in Belgium. After completing a small animal rotation internship at the University of Montreal in Canada, he completed a small animal emergency and critical care internship and a Master's degree in pharmacotoxicology at the University of Illinois. He then completed a small animal emergency and critical care internship and a certification in veterinary extracorporeal therapies at the University of California, followed by a small animal emergency and critical care residency at Oradell Animal Hospital in Paramus, NJ.

His professional interests include shock, sepsis, transfusion medicine, critical care nephrology, and extracorporeal therapies.

Outside of work Dr. Fosset enjoys singing, archery, and dressage horse riding. He also enjoys spending time with his pets: 2 French Bulldogs (Anaïs and Chloé), 2 cats (Nala and Charlene), tropical fishes, and backyard chickens.
